## **EARLY CHILDHOOD WATER ORIENTATION PROGRAM**

Dear Parent,

The school will be conducting the second week of its water orientation program for Prep to Grade 2 students later this month.

Venue: **Hobart Aquatic Centre**

Dates: **Monday 29<sup>th</sup> August – Friday 2<sup>nd</sup> September 2016**

Times:	<b>Prep Morton/Grade 2P</b>	<b>12.30 – 1.00</b>
	<b>Grade 1/2 Kennelly</b>	<b>1.00 – 1.30</b>
	<b>Prep/1 Vince</b>	<b>1.30 – 2.00</b>
	<b>Grade 1/2 Kalis</b>	<b>2.00 – 2.30</b>

Participants will require bathers, towel and a plastic bag for wet gear.

The benefits of participation are numerous and with your support and encouragement, your child will develop confidence in the water. The orientation program will include a range of structured activities in shallow and deep water that are designed to develop your child's sense of awareness and comfort when in an aquatic environment.

You are invited to take the opportunity of observing your child's progress at any time during the program. Also, your assistance with helping your child to change would be appreciated.

Pool staff have been advised of any existing medical conditions previously notified to the school. If conditions have changed since, please advise us so we can pass any information on to the aquatic center staff.

Yours Sincerely

**Ricky Oates**  
**PRINCIPAL**
