School soccer is an opportunity for our children to have fun, increase fitness, learn skills and be part of a team. As parents, we can help make this soccer season successful and enjoyable for all by keeping the following in mind:

As parents we have the most influence on our children’s behaviour and we are important role models for them.

**Commitment**
* Once committed to a team, arrange for your child to attend training games each week and be on time. Players should be at the match 20 minutes before a game. Encourage children to participate but do not force participation upon them.

**Volunteers**
Remember that coaches, managers and coordinators are volunteers. Offer your help whenever you can.
* Respect all decisions made by coaches and referees and teach children to do likewise.
* Show appreciation of volunteer coaches, officials and administrators, without whom your child could not participate.
* Please do not coach your child during a game or training.

**Respect and Behaviour**
* Be a role model when supporting your child. Focus on the child’s self-esteem rather than if they win or lose. Do not criticise any player on the field or during training.
* Encourage children to play according to the rules.
* Do not shout or criticise players if they make a mistake. Never lose your temper, or yell at a player for making a mistake or for the team being rude towards other players, other parents, coaches or referees.
* Remember children learn by example - applaud the opposition as well as your own team.

**Spectators**
* Remember that smoking and the consumption of alcohol is unacceptable at junior sport.
* Dogs are not permitted on soccer grounds. Please do not bring your pets along to matches.

**Players Need:** Navy blue shorts, Navy blue with gold turnover soccer socks, shin pads and soccer boots. Mouth guards are encouraged. These can be purchased at any chemist or more expensive sport mouth guards can be individually made through your child’s dentist.

Please Note: Soccer boots/Shin pads swap day will be announced shortly.
